# UC Santa Barbara PHYSICS

The Physics Department at the University of California, Santa Barbara is ranked among the very top graduate programs in the country. We are looking for talented and diverse individuals who can contribute to the intellectual vitality of our Ph.D. program.

Seniors and juniors from underrepresented groups (African-American, American-Indian, Chicano/Latino, Puerto Rican, or Pacific Islander) in undergraduate physics programs are eligible for an all-expense paid visit to the UC Santa Barbara campus. We also encourage a faculty mentor or parent to join scholars on this visit.
