Physics Department Lab Policies

To receive a passing grade, you must complete ALL labs.

One week is reserved to allow an opportunity to make up missed labs. To be eligible to take a make-up lab, the student must provide a written verifiable medical, athletic, or religious excuse, which may be used for only one experiment per quarter. This excuse must be presented by the student to the TA prior to make-up week.

Careful and neat documentation is an important part of carrying out and reporting lab work and it will affect the scores on lab reports.

Lab schedules are available online at: <http://physics.ucsb.edu/~labsched>
