Physics Department Lab Policies

To receive a passing grade, you must complete ALL labs.

One *day* is reserved to allow an opportunity to make up a missed lab. To be eligible to take a make-up lab, you must provide a written verifiable medical, athletic, or religious excuse, which you may use for only one experiment per quarter. You must present this excuse to your TA prior to the make-up day.

Careful and neat documentation is an important part of carrying out and reporting lab work and it will affect the scores on lab reports.
