Physics Department Lab Policies:

To receive a passing grade, you must complete ALL labs.

One week is reserved to allow an opportunity to make up missed labs. To be eligible to take a make-up lab, you must provide a written verifiable medical, athletic or religious excuse, which you may use for only one experiment per quarter. You must present this excuse to your TA prior to make-up week.

Careful and neat documentation is an important part of carrying out and reporting lab work, and it will affect the scores on lab reports.

Lab schedules are available on line at: <http://physics.ucsb.edu/~labsched>
