

Physics 4L Lab Schedule Winter 2020

How to know what group you're in & which lab to attend:

1. Log in to Gold and look for the **room number** for your physics 4L class.
2. If your room number ends in "Y", you are in the "Y" group; "B", you are in the "B" group. *e.g. if your room number is "3332B", you are in the "B" group.*
3. Once you know your group, scroll down on this document to your group and follow that schedule for the **entire quarter**. *i.e.*, once in group "Y", always in group "Y".
4. Note that all rooms are in Broida Hall.

Group Y

Group Y (Yellow)			
Week Of		Room	Lab Title
6-Jan	10-Jan	3332	Magnets & Inductors
13-Jan	17-Jan	2334	Charge to Mass Ratio of the Electron
20-Jan	24-Jan	-	No Labs (Martin Luther King Jr. Day)
27-Jan	31-Jan	3332	Time Constants, Inductors, & Capacitors
3-Feb	7-Feb	2334	Reactive Elements in AC Circuits
10-Feb	14-Feb	3332	Reflection & Refraction
17-Feb	21-Feb	-	No Labs (President's Day)
24-Feb	28-Feb	2334	Lenses, Ray Tracing, & Simple Optical Devices
2-Mar	6-Mar	-	No Labs
9-Mar	13-Mar	2334	Make Up Labs
